Summary

Group Stage

This trophy event starts out as a two week group stage, with four host grounds playing host to five teams on each of the two weeks. Groups will be decided by a draw, with 20 teams grouped 1-5, 6-10, 11-15, 16-20. From the drawn teams in each group, one of the five teams will need to host the others, so host grounds will be required.

Each team will play two matches on each of the days, consisting of 2x15min halves totalling 60 mins of football per side each day.

Next Stage – Quarter Finals / Plate Qualifier

After the group stage, the teams would have played 4 games each, and there will be a collated group table. The winners and runners up from each group would progress to the quarter finals. The teams finishing in 3rd, 4th and 5th place in each group will progress to a different second-stage competition to compete for the 'Plate'.

Quarter Finals

The quarter-final stage is a simple fixture of 2x20 min halves (that allows a chance for a 2 x 10min development game after). The winning sides in the Quarter-finals will progress to the finals day, the losing sides are eliminated and will not be involved in the finals day.

Plate Trophy

Teams in positions 3, 4 and 5 will progress to the plate trophy qualiaifier where they will go through a Round-robin event . The twelve teams are split in half and two host grounds will host new Groups A and B The teams will play 5 small games of 12 mins each (2x6mins). The teams finishing in positions 1 & 2 of these Groups will qualify for the Semi-Finals to be held on finals day. The other teams are eliminated and will not be involved in the finals day.
